

## VIP Bond 007 Extravaganza

**The Price Family Car Museum**

Gwen and Tom Price are graciously hosting an evening event in their beautiful car museum in Larkspur to support Adopt A Family of Marin.

Tom has a long history of success in the Northern California Automotive market, with seven locations in the Bay Area. Tom is a classic and exotic car collector and racer. He houses over two dozen beautiful vintage cars in his personal car museum in Marin. This lovely venue, not open to the public, is the site for our June VIP event to support AAF in its preparations for its annual Gala Fundraiser in October. Gwen and Tom will be at the event to welcome guests and describe the history of this stunning car collection. Please do not miss this wonderful and rare opportunity to share in the Prices' passion for beautiful cars and support a worthy local cause.
